CHAIRMAN LONG has issued a call for a meeting of the Democratic State Central Committee to be held in Louisville this afternoon. The candidates on the Democratic State ticket have also been invited to attend.

At the Master Commissioner's sale of the Tabb estate at Dover by J. N. Kehoe, the property sold as follows: Sixteen acres of land at \$87.25 to Fred Brown; the two corner store rooms for \$672 to Arthur F. Curran; the room adjoining, occupied by Fox Bros., for \$205 to James N. Boyd; the rooms under the lodge room for \$465 to Mrs. Charles C. Curran; the Tabb residence for \$502.25 to Mrs. R. G. Osborne.

THE tobacco crop in Owen County has proved a failure, says the Owen News. Everything seemed favorable to a crop up until three weeks ago, although the plant refused to grow anything like the season promised. The late dry spell has done the rest. The crop in Owen and portions of Carroll and Gallatin will hardly be half a crop. The continued hot dry weather has unquestionably done great damage to tobacco in this section.

BIG PROFITS Small Investments

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful speculation in Grain, Provisions and Stock.

\$10.00 Systematic Plan of Speculation

originated by us. All successful speculators operate on a regular system. It is a well-known fact that there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 to \$100,000 or more by those who invest a few thousand. It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading. Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time. WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. ALL FREE. Our manual explains in plain trading fully. Highest references in regard to our standing and success. For further information address
